

## ***BFI AIRPORT ADVISORY***

**DATE:** August 7, 2006

**TO:** King County International Airport Tenants  
Distributed by e-mail and fax

**FROM:** Robert I. Burke, AAE, Airport Director

**SUBJECT:** August 8 thru 13 Construction Activities

The Airport's Runway Rehabilitation project will be commencing tomorrow, **Tuesday August 8, with a full closure of Runway 13R/31L from 1000 (local) until 1400 (local).** During this period contractor personnel will be establishing a temporary threshold and associated lighting. **Runway 13R/31L will re-open Tuesday, August 8, at 1400 (local)** with 6500 feet available for aircraft operations. The Runway 31L temporary threshold will be located approximately 775 feet south of Taxiway B-5/A-9 intersection. A temporary PAPI system will be established, however, no NAVAIDS will be available during construction.

From August 8 through 13 inclusive, the contractor will be rehabilitating the southern 2500 feet of Runway 13R/31L pavement, installing perimeter drainage and replacing the airfield lighting system in this area.

Note that **full closure of Runway 13R/31L is scheduled for Sunday August 13 at 1400 (local).** Please check the Airport's website at [www.metrokc.gov/airport](http://www.metrokc.gov/airport) for updates.

Rita Creighton, Communication Relations and Aviation Education Program Manager may be contacted directly at (206) 296-7431 should you have any questions concerning the construction schedule or other matters relating to this project.
